

Pay It Forward Scavenger Hunt!

Rules of the Road:

- Pick a team captain
- Pick an accountant who will manage the money! Each team has \$200 total to work with, so be *mindful* about how you spread the love. The goal is to complete as many tasks as you can, so spend wisely!
- Read this entire list in advance to maximize efficiency in accomplishing tasks!
 - HAVE FUN!

Task Checklist!

- Leave exact change for one load on every washing machine in a laundromat.
- Pop into a grocery store and find someone with just a few items in their basket. Buy their groceries. Ask the cashier for a paper bag (see next task).
- Use the paper bag to pick up trash as you walk around...trash in a park, on people's stoops etc. Fill the bag and get a picture.
- Use your post-it notepad and write 10 nice notes like "Have a nice day", "You're doing an awesome job", "Hey, hot stuff" etc. Have one male and one female from your team use a hotel restroom and place these inside the stall doors.
- Buy a \$20 gift amazon or Amex card. Go into a bookstore and leave it inside a book.
- Have one person go into a Starbucks. Get a drink and buy the drink for the person behind you. The rest of you (while you're waiting), send a nice email to a co-worker you appreciate and tell them specifically what you appreciate about working with them.
- Buy a case of water or Gatorade and hand them out to a group of construction workers.
- Use the postcards that were given to you and everyone on your team stop to write a nice note to a friend, parent, sibling etc. Put the postcards in the mail.
- Offer to take a photo of a group of tourists.
- Leave an incredible review for a local business you love. Not just a good review...INCREDIBLE.
- Have one person on your team compliment the next 5 people they pass on the street.
- Buy two bouquets of flowers and then give one to the cashier.
- Give the other to an elderly lady.
- Have one team member hold the door for 20 people at a store or restaurant.
- Buy a frisbee and throw it to a kid in the park. Then tell him to keep it.
- Ask a homeless person if they'd like a coffee or slice of pizza. Buy it for them.
- Tell someone they dropped a \$10 bill when they didn't. Then give them the \$10.
- Leave a note on someone's car telling them how awesome their parking job was.
- Buy a 6 pack of beer. Give it to a dude who looks like he might like a 6 pack. Happy Friday!
- Buy a bottle of rosé. Give it to a gal who looks like she'd like a bottle of rose. Happy Friday!
